

LEARN ITALIAN WITH SONGS

Complete Companion Workbook - Volumes 1, 2 & 3

30 Songs - Songs 1 through 30

Italiano... un po' alla volta.

How to use this workbook

Listen to each song while following the Italian and English phrases. Repeat the Italian aloud during the pauses. Then cover the English column and see how much you can understand without translating.

Volume 1 builds the foundation. Volume 2 expands everyday conversation. Volume 3 uses more Italian, introduces longer exchanges, and helps you begin thinking in Italian rather than translating every word.
